

SETTING | THE | STANDARD | FOR | HIGH-SPEED FINISH | LAYOUT | AND | ADHESIVE | BLOCKING

The all new Speede® has set the standard for high-speed finish layout and adhesive blocking. New features such as horizontal decentration and an enlarged vision screen for viewing and blocking make the Speede® even better than before.

FEATURES :

Comfortable viewing angle.

Unique horizontal and vertical alignment adjustments.

Adapters available for most blocking systems.

Eliminates layout marking.

Eliminates parallax and seg distortion with binocular reflection viewing.

Intelligently designed front loading for ease of use.

Fast lever motion presses block exactly on target.

SPEEDE® BLOCKER

THE ALL NEW SPEEDE®
